

Puppy Sitting/Trading Worksheet

Raiser to fill out this section

Puppy's name: _____ Puppy's Birthdate/Age: _____

Raiser's information

Raiser's name: _____ Cell phone: _____

Raiser's email: _____ Do you want texted pictures? _____

Best way to contact you while puppy is at the sitter's: _____

Puppy's veterinary information

Puppy's Veterinarian: _____

Address: _____ Phone: _____

Puppy sitter should contact club leaders if something comes up requiring veterinary care.

Food

Most raisers bring puppy's food with them. Some even pre-package the meals into individual zippy bags. Remember to include extra meals, and just in case, please indicate the puppy's brand of food.

Food type (brand): _____ Add water to meal? _____

Number of cups per meal: _____ Two meals a day or three? _____

Shots

Does puppy need any shots while staying with the sitter? _____

If so, what type of shot? _____ Is an appointment already set up? _____

Appointment time: _____ Date & Location: _____

Meds or Medical Conditions/Instructions:

Is puppy on any medications? _____ What kind? _____

Meds start date: _____ Meds finish date: _____

Reason for the meds? Instructions for meds or medical conditions: _____

Will the puppy need Heartguard or Frontline while at Sitter's? Yes No

Puppy's Relieving:

Current state of potty training: _____

What does puppy do when he/she needs to relieve? _____

Does puppy need to work on certain surfaces for relieving? (For example, if you don't have access to concrete and the sitter does, puppy might need concrete work.) _____

Puppy Sitting/Trading Worksheet

Sleeping & House Manners:

How much freedom does puppy have in the house when you're home? _____

How much freedom does puppy have in the house when you're NOT home? _____

Does puppy need to be crated when left home alone? _____

How does puppy sleep at night? (Crate, tie down, free in room, free in house, ...)? _____

Outings

Outings appropriate for my puppy:

- | | |
|--|--|
| <input type="checkbox"/> 10-15 minutes in-and-out only | <input type="checkbox"/> 2+ hours quiet (on tiedown at work) |
| <input type="checkbox"/> 1-2 hour quiet (restaurant, church) | <input type="checkbox"/> Pup can handle most outings |
| <input type="checkbox"/> 1-2 hours active (grocery shopping) | |

Puppy sitter should terminate an outing when the puppy shows signs of being overwhelmed. Puppies may be crated at home for up to four hours if the outing will be inappropriate.

Outings my puppy may NOT be ready for: _____

Things to watch for/challenging behaviors: _____

Does puppy need special attention on anything? _____

Equipment/toys

What stuff are you bringing for puppy to the sitter's house? Remember, when a current puppy raiser watches your pup, that sitter will have a lot of this stuff already, so ask before you bring it.
